Number 35

Thursday, April 25, 2013

The House was called to order by the Speaker at 9:00 a.m.

## Prayer

The following prayer was offered by the Reverend Nicholas Stoyer of Eastside Baptist Church in Orlando, upon invitation of Rep. Clelland:

Father, thank You for everything that You have given to us. Thank You for the grace and mercy and love that You have shown in each of our lives. You are far better than we can ever imagine and You make that evident with each day that goes by. As we stand in this Chamber full of history and legacy, I pray that You would remind us of the legacy that we're all leaving through our day-to-day decisions. May we continue to learn from the past, its failures and victories, live in the present, being open, available, and gracious with the people who are around us, and plan for the future, knowing that our work matters, our words matter, our decisions matter, but also knowing that, ultimately, history is really Your story, and we're just playing supporting roles.

Thank You, God, for the blood, sweat, and tears of each man and woman in this room as they seek to serve the people of Florida and for everyone across this nation, this morning, who through their energy, time, and investment make this country the great nation that it is. May You give us Your wisdom, show us Your love and grace, teach us to be just, and move us with compassion to see each person as You see them—a unique human being holding untold dignity, value, and worth. Thank You for all that You continue to do in our lives. Continue to lead us by Your spirit in the places we go, the people we meet, and the decisions we make, and the words that we use. In the name of Jesus, I pray. Amen.

*The Honorable Will Weatherford*  
*Speaker, House of Representatives*

April 25, 2013

*Dear Mr. Speaker,*

The following report was adopted by the House of Representatives for the purpose of outlining a procedure for the Expedited Local Bill Calendar, Section I of the Special Order for Friday, April 26, 2013. For purposes of these procedures, "Expedited Local Bill Calendar" refers to the section of the Special Order Calendar reserved for the expedited consideration of local bills.

1. The Speaker will take up each bill in the order it appears on the Expedited Local Bill Calendar. Bill numbers will not appear on the board, since House action moves too fast.
2. Removal of a specific bill from the Expedited Local Bill Calendar requires notice by five members received during consideration of the bill. The notice may be presented by a raising of hands during the reading of the bill, or in written form delivered to the Chair of the Rules & Calendar Committee prior to the reading of the bill. Any bill removed from the Expedited Local Bill Calendar will be placed at the end of the next section of the Special Order Calendar for that day.
3. Without separate motions, each local bill will be read a second and third time by title, and the Speaker will announce, "Pass the bill on the motion of (bill sponsor)."
4. Floor amendments to a local bill must be timely filed in accordance with Rule 12.2. A local bill amendment form signed by the delegation chair explaining the necessity for the amendment must also be delivered to the Local & Federal Affairs Committee at the same time. Any bill with a properly filed amendment accompanied by a signed local bill amendment form will be removed from the Expedited Local Bill Calendar, and the bill and the amendment will be placed at the end of the next section of the Special Order Calendar.
5. Without objection, a single roll call vote will be taken at the conclusion of the reading of all of the local bills on the Expedited Local Bill Calendar.
  - Because a "no" vote would be cast for every bill on the local roll call, a Member wishing to vote against a specific bill or bills should do so by filing a "Nay Vote – Local Bills" form with the Clerk. The forms may be obtained at the Clerk's desk.
6. This procedure constitutes consent on the part of the House to a blanket motion to waive the Rules and allow each bill to be read twice on the same day.

The procedure was adopted with a 2/3 vote.

Respectfully submitted,  
*Robert C. Schenck*, Chair  
Rules & Calendar Committee

On motion by Rep. Schenck, the above Local Bill procedure was adopted by the required two-thirds vote.

7. The child has exhausted coverage under a COBRA continuation provision;

9. Domestic violence led to loss of coverage.

~~(5) A child who is otherwise eligible for the Florida Kidcare program and who has a preexisting condition that prevents coverage under another insurance plan as described in paragraph (4)(a) which would have disqualified the child for the Florida Kidcare program if the child were able to enroll in the plan is eligible for Florida Kidcare coverage when enrollment is possible.~~

~~(5)(6)~~ A child whose household's modified adjusted gross family income is above 200 percent of the federal poverty level or a child who is excluded under the provisions of subsection (4) may participate in the Florida Kidcare program as provided in s. 409.8132 or, if the child is ineligible for Medikids by reason of age, in the Florida Healthy Kids program, subject to the following:

~~(7)(8)~~ When determining or reviewing a child's eligibility under the Florida Kidcare program, the applicant shall be provided with reasonable notice of changes in eligibility which may affect enrollment in one or more of the program components. If a transition from one program component to another is authorized, there shall be cooperation between the program components and the affected family which promotes continuity of health care coverage. Any authorized transfers must be managed within the program's overall appropriated or authorized levels of funding. Each component of the program shall establish a reserve to ensure that transfers between components will be accomplished within current year appropriations. These reserves shall be reviewed by each convening of the Social Services Estimating Conference to determine the adequacy of such reserves to meet actual experience.

~~(8)(9)~~ In determining the eligibility of a child, an assets test is not required. Each applicant shall provide documentation during the application process and the redetermination process, including, but not limited to, the following:

(d) Effective January 1, 2014, eligibility shall be determined through electronic matching using the federally managed data services hub and other resources. Written documentation from the applicant may be accepted if the electronic verification does not substantiate the applicant's income or if there has been a change in circumstances.

~~(9)(10)~~ Subject to paragraph (4)(a), the Florida Kidcare program shall withhold benefits from an enrollee if the program obtains evidence that the enrollee is no longer eligible, submitted incorrect or fraudulent information in order to establish eligibility, or failed to provide verification of eligibility. The applicant or enrollee shall be notified that because of such evidence program benefits will be withheld unless the applicant or enrollee contacts a designated representative of the program by a specified date, which must be within 10 working days after the date of notice, to discuss and resolve the matter. The program shall make every effort to resolve the matter within a timeframe that will not cause benefits to be withheld from an eligible enrollee.

~~(10)(11)~~ The following individuals may be subject to prosecution in accordance with s. 414.39:

(a) An applicant obtaining or attempting to obtain benefits for a potential enrollee under the Florida Kidcare program when the applicant knows or should have known the potential enrollee does not qualify for the Florida Kidcare program.

(b) Maintain eligibility with the corporation and meet all renewal requirements as established by the corporation.

(c) Renew eligibility on at least an annual basis.

(4) ENROLLMENT.—The corporation may begin the enrollment of applicants in the Healthy Florida program on October 1, 2013. Enrollment may occur directly, through the services of a third-party administrator,

referrals from the Department of Children and Families, and the exchange as defined by the federal Patient Protection and Affordable Care Act. As an enrollee disenrolls, the corporation must also provide the enrollee with information about other insurance affordability programs and electronically refer the enrollee to the exchange or other programs, as appropriate. The earliest coverage effective date under the program shall be January 1, 2014.

(5) DELIVERY OF SERVICES.—The corporation shall contract with authorized insurers licensed under chapter 627; managed care organizations authorized under chapter 641; and provider service networks authorized under ss. 409.912(4)(d) and 409.962(13) which are prepaid plans. These insurers, managed care organizations, and provider service networks must meet standards established by the corporation to provide comprehensive health care services to enrollees who qualify for services under this section. The corporation may contract for such services on a statewide or regional basis. To encourage continuity of care among enrollees who may transition across multiple insurance affordability programs, the corporation is encouraged to contract with those insurers and managed care organizations that participate in more than one such program.

(a) The corporation shall establish access and network standards for such contracts and ensure that contracted providers have sufficient providers to meet enrollee needs. Quality standards must be developed by the corporation, specific to the adult population, which take into consideration recommendations from the National Committee on Quality Assurance, stakeholders, and other existing performance indicators from both public and commercial populations. The corporation and its contracted health plans shall develop policies that minimize the disruption of enrollee medical homes when enrollees transition between insurance affordability plans.

(b) The corporation shall provide an enrollee a choice of plans. The corporation may select a plan if no selection has been received before the coverage start date. Once enrolled, an enrollee has an initial 90-day, free-look period before a lock-in period of not more than 12 months is applied. Exceptions to the lock-in period must be offered to an enrollee for reasons based upon good cause or qualifying events.

(c) The corporation may consider contracts that provide family plans that would allow members from multiple state and federally funded programs to remain together under the same plan.

(d) All contracts must meet the medical loss ratio requirements under s. 624.91.

(6) BENEFITS.—The corporation shall establish a benefits package that is actuarially equivalent to the benchmark benefit plan offered under s. 409.815(2), excluding dental, and meets the alternative benefits package requirements under s. 1937 of the Social Security Act. Benefits must be offered as an integrated, single package.

(a) In addition to benchmark benefits, health reimbursement accounts or a comparable health savings account for each enrollee must be established through the corporation or the contracts managed by the corporation. Enrollees must be rewarded for healthy behaviors, wellness program adherence, and other activities established by the corporation which demonstrate compliance with preventive care or disease management guidelines. Funds deposited into these accounts may be used to pay cost-sharing obligations or to purchase over-the-counter health-related items to the extent allowed under federal law or regulation.

(b) Enhanced services may be offered if the cost of such additional services provides savings to the overall plan.

(c) The corporation shall establish a process for the payment of wrap-around services not covered by the benchmark benefit plan through a separate subcapitation process to its contracted providers if it is determined that such services are required by federal law. Such services would be covered when deemed medically necessary on an individual basis. The subcapitation pool is subject to a separate reconciliation process under the medical loss ratio provisions in s. 624.91.

(d) A prior authorization process and other utilization controls may be established by the plan for any benefit if approved by the corporation.

(7) COST SHARING.—The corporation may collect premiums and copayments from enrollees in accordance with federal law. Amounts to be collected for the Healthy Florida program must be established annually in the General Appropriations Act.

(a) Payment of a monthly premium may be required before the establishment of an enrollee's coverage start date and to retain monthly coverage.

(b) An enrollee who has a family income above the federal poverty level may be required to make nominal copayments, in accordance with federal rule, as a condition of receiving a health care service.

(c) A provider is responsible for the collection of point-of-service cost-sharing obligations. The enrollee's cost-sharing contribution is considered part of the provider's total reimbursement. Failure to collect an enrollee's cost sharing reduces the provider's share of the reimbursement.

(8) PROGRAM MANAGEMENT.—The corporation is responsible for the oversight of the Healthy Florida program. The agency shall seek a state plan amendment or other appropriate federal approval to implement the Healthy Florida program. The agency shall consult with the corporation in the amendment's development and submit by June 14, 2013, the state plan amendment to the federal Department of Health and Human Services. The agency shall contract with the corporation for the administration of the Healthy Florida program and for the timely release of federal and state funds. The agency retains its authorities as provided in ss. 409.902 and 409.963.

(a) The corporation shall establish a process by which grievances can be resolved and Healthy Florida recipients can be informed of their rights under the Medicaid Fair Hearing Process, as appropriate, or any alternative resolution process adopted by the corporation.

(b) The corporation shall establish a program integrity process to ensure compliance with program guidelines. At a minimum, the corporation shall withhold benefits from an applicant or enrollee if the corporation obtains evidence that the applicant or enrollee is no longer eligible, submitted incorrect or fraudulent information in order to establish eligibility, or failed to provide verification of eligibility. The corporation shall notify the applicant or enrollee that, because of such evidence, program benefits must be withheld unless the applicant or enrollee contacts a designated representative of the corporation by a specified date, which must be within 10 working days after the date of notice, to discuss and resolve the matter. The corporation shall make every effort to resolve the matter within a timeframe that will not cause benefits to be withheld from an eligible enrollee. The following individuals may be subject to specific prosecution in accordance with s. 414.39:

1. An applicant who obtains or attempts to obtain benefits for a potential enrollee under the Healthy Florida program when the applicant knows or should have known that the potential enrollee does not qualify for the Healthy Florida program.

2. An individual who assists an applicant in obtaining or attempting to obtain benefits for a potential enrollee under the Healthy Florida program when the individual knows or should have known that the potential enrollee does not qualify for the Healthy Florida program.

(9) APPLICABILITY OF LAWS RELATING TO MEDICAID.—The provisions of ss. 409.902, 409.9128, and 409.920 apply to the administration of the Healthy Florida program.

(10) PROGRAM EVALUATION.—The corporation shall collect both eligibility and enrollment data from program applicants and enrollees as well as encounter and utilization data from all contracted entities during the program term. The corporation shall submit monthly enrollment reports to the President of the Senate, the Speaker of the House of Representative, and the Minority Leaders of the Senate and the House of Representatives. The corporation shall submit an interim independent evaluation of the Healthy Florida program to the presiding officers no later than July 1, 2015, with annual evaluations due July 1 each year thereafter. The evaluations must address, at a minimum, application and enrollment trends and issues, utilization and cost data, and customer satisfaction.

(11) PROGRAM EXPIRATION.—The Healthy Florida program shall expire at the end of the state fiscal year in which any of these conditions occur, whichever occurs first:

(a) The federal match contribution falls below 90 percent.

(b) The federal match contribution falls below the increased FMAP for medical assistance for newly eligible mandatory individuals as specified in the federal Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the federal Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152.

(c) The federal match for the Healthy Florida program and the Medicaid program are blended under federal law or regulation in such a way that causes the overall federal contribution to diminish when compared to separate, nonblended federal contributions.

Section 16. The Florida Healthy Kids Corporation may make changes to comply with the objections of the federal Department of Health and Human Services to gain approval of the Healthy Florida program in compliance with the federal Patient Protection and Affordable Care Act, upon giving notice to the Senate and the House of Representatives of the proposed changes. If there is a conflict between a provision in this section and the federal Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the federal Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152, the provision must be interpreted and applied so as to comply with the requirement of the federal law.

Section 17. (1) The sum of \$1,258,054,808 from the Medical Care Trust Fund is appropriated to the Agency for Health Care Administration beginning in the 2013-2014 fiscal year to provide coverage for individuals who enroll in the Healthy Florida Program.

(2) The sum of \$254,151 from the General Revenue Fund and \$18,235,833 from the Medical Care Trust Fund is appropriated to the Agency for Health Care Administration beginning in the 2013-2014 fiscal year to comply with federal regulations to compensate insurers and managed care organizations that contract with the Healthy Florida Program for the imposition of the annual fee on health insurance providers under section 9010 of the federal Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the federal Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152.

(3) The sum of \$10,676,377 from the General Revenue Fund and \$10,676,377 from the Medical Care Trust Fund is appropriated beginning in the 2013-2014 fiscal year to the Agency for Health Care Administration to contract with the Florida Healthy Kids Corporation under s. 409.818(2)(f), Florida Statutes, to fund administrative costs necessary for implementing and operating the Healthy Florida Program.

(4) The Agency for Health Care Administration may submit budget amendments to the Legislative Budget Commission pursuant to chapter 216, Florida Statutes, to fund the Healthy Florida Program for the coverage of children who transfer from the Florida Kidcare Program to the Healthy Florida Program, or to provide additional spending authority from the Medical Care Trust Fund under subsection (1) for the coverage of individuals who enroll in the Healthy Florida Program, during the 2013-2014 fiscal year.

Section 18. This act shall take effect upon becoming a law.

WHEREAS, Article V of the Constitution of the United States authorizes Congress to propose amendments to the Constitution which shall become valid when ratified by the states, and

WHEREAS, a continuous and growing concern has been expressed that the best interests of this nation will be served by limiting the terms of members of Congress, a concern expressed by the Founding Fathers and incorporated into the Articles of Confederation, and

WHEREAS, the voters of the State of Florida, by the gathering of petition signatures, placed on the general election ballot of 1992 a measure to limit the consecutive years of service for several offices, including the offices of United States Senator and United States Representative, and

WHEREAS, the voters of Florida incorporated this limitation into the State Constitution as Section 4, Article VI, by an approval vote that exceeded 76 percent in the general election of 1992, and

Thornton, et al.*, 514 U.S. 779 (1995), a five-to-four decision, that the individual states did not possess the requisite authority to establish term limits, or additional qualifications, for persons elected to the United States Senate or United States House of Representatives, and

WHEREAS, upon reflecting on the intent of the voters of this state and their overwhelming support of congressional term limits, the Legislature, in its 114th Regular Session since Statehood in 1845, did express through a memorial to Congress the desire to receive an amendment to the Constitution of the United States to limit the number of consecutive terms that a person may serve in the United States Senate or the United States House of Representatives, and
